The Glacier HS Academic Decathlon won its first Madera County Championship back in early February and competed at the state level in mid-March.

At the county level, the team netted 18 gold, 10 silver, and 5 bronze medals (special kudos to Cory Stanford, who grabbed 7 golds individually!). Cole Muraszewski was top scorer (of all county contestants) and also earned the GHS Coach's Award.

At the state level, Eli Lockwood was the top scorer on the GHS team, and Cory won an additional 2 silver individual medals (against impressive competition).

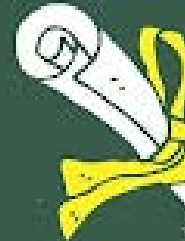

Hats off to this year's Acadec team. Well done! Check out the perpetual plaque and #1 trophy at school (trophy case area). Some members of the team are pictured below:

Fall, 2022 Community College classes through the High School Enrichment Program (HSE)

This is a fantastic opportunity for next years juniors and seniors!

The High School Enrichment program at the Community College offers students in the 11th, and 12th grades an opportunity to enroll in college courses to receive college credit along with high school credit. Students should be applying now for this Fall, 2022. I recommend having all the paperwork in by the first week of May.

Students admitted to the program are treated as new students each semester attended, and are eligible to register during the open enrollment period. The enrollment period for the Fall session is open now.

BENEFITS OF THE PROGRAM

- **The ability to get ahead and earn college credit while still in High School.**
- **No tuition costs** - Student is responsible for books and materials required for the course. Upon completion of the course, student may submit to us a final community college transcript and a receipt for books and materials for reimbursement.

To qualify for HSE a student must fulfill the following criteria:

- Have a cumulative high school GPA of at least a 2.5
- Obtain approval (Signatures) from the high school principal, high school counselor or advising teacher, and a parent.
- The student must meet all the necessary prerequisites for any college course in which they wish to enroll.

Fall, 2022 Community College classes through the High School Enrichment Program (HSE)...continued
